PROFESSIONAL SUMMARY

Computer Science student with a strong interest in Cybersecurity and Penetration Testing, developing practical skills through hands-on security labs and training. Focused on Web Application Security, Active Directory, Network Security, and vulnerability assessment. Self-driven and analytical, with strong problem-solving skills and a commitment to continuous learning, seeking an internship or entry-level opportunity in Cybersecurity or Penetration Testing.

EDUCATION

Bachelor's Degree in Computer Science

Sinai University — Egypt

Expected Graduation: 2027

CERTIFICATIONS & COURSES

- Ethical Hacking / Cybersecurity training
- TryHackMe — hands-on cybersecurity learning and practical labs
- Active Directory / Windows Active Directory fundamentals
- Network Security and Computer Networking fundamentals

TECHNICAL SKILLS

- Cybersecurity: Penetration Testing fundamentals, Vulnerability Assessment, Web Application Security
- Security: Active Directory fundamentals and practical security labs
- Networking: TCP/IP fundamentals, Subnetting, Routing fundamentals, Network Security
- Operating Systems: Windows, Linux
- Tools & Platforms: TryHackMe, Git, GitHub
- Programming: Python, C, C++, Java

PROJECTS & PRACTICAL TRAINING

TryHackMe — Cybersecurity Labs

- Completed practical security exercises covering cybersecurity fundamentals.
- Practiced Windows and Active Directory concepts through interactive labs.
- Developed hands-on experience with security assessment scenarios.

AI Security / Penetration Testing Training

- Studied AI/ML security concepts and security assessment approaches.
- Worked through practical penetration-testing and vulnerability-assessment materials.

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Self-Learning
- Research & Investigation
- Attention to Detail
- Teamwork

LANGUAGES

- Arabic — Native
- English — Intermediate (technical reading and writing)
